For assistance, contact the DEP Indoor Air Quality Program, at 240.777.7770 or email radon@askdep.com. MCDEP, 255 Rockville Pike, Ste. 120, Rockville, MD 20850.

As an incentive for participation in DEP's Radon Survey Project, DEP will provide one Radon test kit per household for citizens that fill out the survey and meet the eligibility requirements listed below:

Free Test Kit Eligibility Requirements:

1. You must be a resident of Montgomery County.
2. You must have living space at ground-level or a basement. (e.g. DEP will not provide test kits for second-floor and higher dwellings)
3. You must complete a survey form.
4. You must be willing to share your test results with DEP.
